

CHULALONGKORN UNIVERSITY

No. 64/E/ 06180

August 14, 2020

Dear Sir/Madam,

We hope you, your staff and families are doing well during the time of the COVID-19 pandemic.

We wish to thank everyone who, despite cares and worries, has continued to provide us with the information on how this current semester (Fall 2020) is being carried out. Also, we would like to take this opportunity to share with you an important update on our student mobility programs.

Office of the
President

Despite the uncertainty caused by COVID-19, we want to inform you that Chulalongkorn University has been working hard to find ways to support the inbound and outbound student exchange programs. As the virus outbreak has not yet declined, border and travel restrictions are still imposed on international travellers. This makes it impossible for our students to travel to your university and vice versa, for the inbound students from your university to be with us.

For the students' health safety reason, Chulalongkorn University has to cancel all inbound and outbound student mobility programs scheduled for the second semester of the academic year 2020. This means that we will not be able to send or accept any exchange students during the Spring semester (January - May 2021). We sincerely apologize for any inconvenience this may cause. However, we have adopted a technological platform -- virtual classes, for international students who are interested in taking classes with us from their home universities. In the same way, we would appreciate your letting us know whether you have a similar program that Chula students can attend.

We also wish to, herein, express our best wishes to those of you who have been in contact with us to offer assistance and those who have supported our exchange students at your institutions. We would like to ensure you that Chulalongkorn University remains committed to providing international experience for our students and hope to be able to pursue our collaboration under better circumstances.

Should you have any further questions or concerns, please do not hesitate to contact us.

Sincerely yours,

A handwritten signature in blue ink, reading "B. Eua-arporn".

Professor Bundhit Eua-arporn, Ph. D.
President
